NAMED "MAN OF YEAR" BY LIONS CLUB

Bruce M. Rocha of 10 Wildwood Terrace, Mattapoisett, president of the Mattapoisett Lions Club, is the recipient of one of Lions International's most coveted and rarely given citations - the "Man of the Year" award - for his services to the community in the building of Mattapoisett's grand new bandstand at Shipyard Park.

Serving as the Mattapoisett Lions Club's representative on the Bandstand Committee,

he was cited by the club's retiring president, Jarvis Stratton, as one who donated more of his personal time and talents to the construction of the bandstand than any other individual.

In accepting the honor, Rocha modestly reiterated that the building and financing of the bandstand truly was a community effort, and gratefully acknowledged the assistance rendered by other members of the Lions Club in its construction.

The "Man of the Year" award has been presented by the Mattapoisett Club on only five previous occasions in its seventeen-year history.

'Names & Nicknames'

ART CENTER TO PRESENT PLAY FOR CHILDREN

This summer the Marion Art Center will present a play for the children of the area. "Names and Nicknames", directed by Bill Gleason of Wareham, is a delightful story centering around children's fascination with the magic of names.

James Reaney, the author, has developed an absorbing plot. Grampa Thorntree, the neighborhood's terrifying old man, played by Dick Fairweather, is so successful in thinking up really venomous nicknames that nobody dares christen their child. The chorus of neighbors and children (who double as horses, clocks, fenceposts, and falling

WARNING - WOOD CHIPS MAY BE INFESTED

Wood chips used as decorative mulch should be treated with termite killer unless bought from commercial sources according to local expert gardeners. The packaged commercial product has been sterilized and is attractive and harmless. However, chippers working to clear a right of way chew up newly felled trees and old rotting trees without discrimination. Chips from these piles contain both varieties and the rotted chips may be termite infested. Homeowners, who have used such chips near their foundations, should consider trenching around the foundation and ringing the home with termite killer.

Coffeehouse News

ALMITRA

In the days of Merrie Olde England, a coffeehouse was a place where men of intellect came and met to discuss and exchange ideas and philosophies. For over a year now, Mattapoisett has had a coffeehouse where young people can come and enjoy good folk entertainment. The name of the coffeehouse is "Almitra" as found in the book, "The Prophet". Every Friday night Almitra finds her way into the basement of St. Anthony's between the hours of 8:00 and 11:00. But what is Almitra really?

Almitra is a group of kids, working together, trying to be of service to Mattapoisett. The staff of the coffeehouse, all the entertainers and chaperones give of their time unselfishly and freely, hoping to bring people enjoyment. For the past two years Almitra has provided music for the Historical Society's Art Festival and this year they are trying something new. One night each month; they will be

FOLK CONCERT #2

Hey, you! Yes, YOU, who are busily skipping over this article. What are You doing Friday night? Well, if you happen to be strolling down near the wharf between 7:00 and 9:00 stop off at the bandstand. Almitra is sponsoring her second Folk Concert of the summer - Folk Concert #2. Among the list of performers are: 'Big Jim' Couza, Rick Souza and David Peterson. So, for a regular old serenade under the stars, come see Folk Concert #2.

Gift to Sea Explorers

WINDRIFT

Thanks to the generosity of Mr. Andrew Oliver, Mattapoisett now has a Sea Explorer Post, complete with its own boat - the "Windrift".

Last Fall, Sea Explorer Post 53 was organized under the sponsorship of the Mattapoisett Lions Club, with Mr. Carl Nelson as advisor. Membership in the Post is open to any young man, between the ages of 14 and 21, who has a serious interest in boats.

Mr. Oliver, when he became aware of the organization, donated his 18 foot Cape Cod Catboat to the Post. The boys have done most of the work in fitting out "Windrift" and she is now sailing Buzzards Bay waters. Lew Roberts is working on getting the engine in good running condition, so she will soon be under power, as well as sail.

The Post members have been taking courses

TOBEY BUILDING FUND CLIMBS

Several fine pledges have been received in the last few days, pushing the Tobey Hospital Building Fund in sight of the $1,900,000 level. The goal of $3,000,000 overall will still take a tremendous amount of work, but it is hoped that the Fund can reach $2,000,000 within the very near future.

A luncheon meeting was held at the Nurses' Home last Friday to discuss the progress of the campaign and ways and means of strengthening the Hospital's relations with the community, particularly the summer visitors who often must use its facilities and need to be made more aware of the need to support this campaign. It was decided to arrange two "Tag Days", one in late July and one in August, at which time volunteers would cover the main shopping areas with solicitation cans, pins saying "I have given to Tobey Hospital, Have YOU?", and balloons with the same slogan. These items would be given to anyone making a donation of any amount.

It was also decided to have the float, which won first prize in the float contests in Wareham and Marion of the Fourth of July weekend, made available for special events which are going on in the areas throughout the summer. Anyone interested in having it on hand for an affair should call the Fund office at the Hospital.

Attending the luncheon were W. Latimer Gray, chairman of the Hospital Trustees; Maurice B. Makepeace, treasurer of the Hospital; Rt. Rev. John A. Chippendale, Rev. David J. Hottenstein and Edwin A. Whitehouse, Trustees; and John T. Galligan, secretary of the Board. In addition, there were Dana C. Keyes, general chairman of the Building Fund; Hulot W. Haden, Administrator of Tobey Hospital; Dr. Matthew C. Finn, Jr., president of the Medical Staff, Dr. Davis T. Gallison, co-chairman of the Medical Staff campaign; Sylvia McLaughlin, co-chairman of the Employee's campaign; Mrs. John Gayoski and Mrs. Arthur Lionberger, co-chairmen for Rochester; Mrs. V. Everett York, president of the Ladies' Guild; Mrs. Rachel Penti, R.N., Head of Nursing Service; Mrs. C. Hammett Cowell, publicity director for Tobey and co-chairman of the clubs and organizations campaign; Leon Davidson, co-chairman of the Suppliers' Campaign; Winthrop Winberg, chairman for Wareham, and Gilman H. Lowery, chairman for Marion.

Other Fund news of interest was an hour and a half program on Wednesday, July 14th, from 6:00 P.M. until 7:30 P.M. on WCIB's Open Line with Daniel O'Connell. A thorough discussion of the Hospital, the need for and progress on the new wing, and the Building Fund was held. Participants from the hos-

BOATING SAFETY

Wednesday evening, July 21st, at 8 P.M. William Fleming will talk to members and guests of the Mattapoisett Yacht Club about boating safety. As an instructor for the United States Power Squadron, Mr. Fleming has had much experience in presenting a most effective approach to safe boating practices. This is the second in a series of Wednesday evening programs at the Yacht Club. Other programs will be Peter Duff, Boat Maintenance; Peter Briggs, Sailing to Europe; a Race Night discussion of tactics and rules. Refreshments will be served during a brief social hour.

(Leo, July 23 — Aug. 23)

Leonians have long been lionized as proud, regal and strong-willed. They are also commanding; powerful, generous, reliable, fixed in opinions and principles, good leaders and good creators both of family and ideas for organization. Faithful and trusting,

they are usually cheerful, and their favorite pastimes include games and the theatre.

These traits, however, if overstressed, can lead to insistance on being "number one," refusal to be content with second place, and a desire to maintain leadership and make no changes. Excessive emphasis on power may develop.

Their flower is the orange gladiola, their stone the ruby, and domineering ways their main trait.

Though they frequently lack humility, Leonians often make the lion-hearted gesture of sending flowers to friends, utilizing the facilities of FTD

SATURDAY SENIOR RACES (JULY SERIES)

July 17th marked the only racing date on the Mattapoisett Yacht Club calendar last week. There were 18 entrants competing in three classes in the Senior Saturday Races (July Series). Fred Klein, Norman Shachoy, Billy Mee and Susan McGowan were posted as the winners.

The winds were from the south, blowing 25 miles per hour and gusting at times to over 30 - really whistling in the riggings.

The first class to start was the seven-boat Handicap division, heading out of the harbor on a 10-mile triangular course to Barstow Rock Red Nun 6, to Black and Red Nun three miles northwest of Quisset Harbor, and back to finish at Ned's Point.

Chet Young, skippering Spindrift, was first to cross the line, followed closely by Fred Klein in Hypotheosis. Before they had proceeded far along the choppy seas of the first leg, Ed Ruel's Tiara was out front and maintained that position until into the second leg, when a heavy gust ripped a #1 jenny. Slowing down to hoist the #2 jenny meant a loss of time, and before long Hypotheosis took the lead to win by 33 seconds (corrected time). Don Wheeler's Zephyrus came in third 10 minutes later.

In the first race of their doubleheader, the six-boat Corinthian fleet followed a course to Mattapoisett Neck MYC guide buoy to Molly's Cove MYC guide buoy, to Barnard's Wharf MYC guide buoy, to Mattapoisett Neck guide buoy and finish at Ned's Point.

Harvey Pentleton skippering Lulu won the starting duel, with Norman Shachoy's Blue Chip not far behind. Taking different tacks on the first leg, however, put Shachoy three boat lengths ahead, as they rounded the first marker. On the next two legs Blue Chip con-

tinued in the lead with Lulu still astern. On the fourth leg Art Blackburn's Lorelei and Billy Mee's Irish Eyes began to close in. At the finish, Blue Chip topped Lorelei by only nine seconds. Irish Eyes placed third.

In the second Corinthian contest, they sailed to Sunken Ledge Black Can 5, to Ned's Point MYC guide buoy, to Town Anchorage Red Nun 8, to Mattapoisett Neck MYC guide buoy and finish.

Billy Mee led all the way. It was nip and tuck between Tom Clark's Instead and Bill MacLean's Escape for second place for most of the race. In a final shift of positions, Art Blackburn in Lorelei moved up to challenge,

making the line-up: Billy Mee's Irish Eyes first, Bill MacLean's Escape second, and Art Blackburn's Lorelei third.

In the first race for Beetle Cats, the course directed them to Mattapoisett Neck MYC guide buoy, to Barnard's Wharf MYC guide buoy, to Molly's Cove MYC guide buoy and finish.

Ralph Eustis in Vig Too took the start, but was overtaken by Jimmy Barnes sailing Gay Lee Ann II. Soon Susan McGowan in Hep Cat began to gain, coming within one-boat length of Gay Lee Ann II, as they reached the first marker. Still continuing to advance between Mattapoisett Neck and Barnard's Wharf MYC guide buoys, Susan managed to catch up but not to pass Jimmy Barnes. At the end of the next leg Susan established an inside-overlap, this putting her ahead to win by 1:10. Ralph Eustis in Vig Too was third.

The course for the second Beetle Cat race was a blueprint of the Corinthian's second race.

Susan McGowan's Hep was the victor, thus winning both contests in the Beetle Cat doubleheader. Pat Muldoon's Slainte bested Joan Darrah's Duke by 28 seconds for second place.

Both the Junior Wednesday Race on July 14th and the Old Man's Race on July 13th were cancelled because of high winds.

BATON CLINIC FOR GIRLS 8 AND OVER

All girls ages 8 years and over who are interested in learning how to twirl a baton are invited to join a baton clinic sponsored by the Old Rochester majorettes. Clinics will be held on Monday, Wednesday and Friday mornings from 9:30 to 11:00. The clinic will start on July 26th and will end on August 13th. The cost per lesson is minimal. This is to help the majorettes buy new equipment. The lessons will be held on the Center School lawn at Mattapoisett. It would help if each girl had her own baton. If there are any questions please call 758-4968.

YOU--A BAREFOOT HOSTESS ?

Take one housewife. Add a warm summer weekend. Blend with house guests for whom she must prepare meals. Baste with a hot kitchen which keeps her away from her visitors most of the time. And you've got the recipe for a harried housewife too busy to enjoy her guests.

To these ingredients has been added a new cookbook

which helps the hostess to cope with her cooking responsibilities while, at the same time, having plenty of fun.

"The fact is I love cooking special things for special people," observes Marcia Wallace, author of *Barefoot in the Kitchen* (St. Martin's Press). "But when special people are around, I also love enjoying their company. Therein lies the conflict: like lots of other ladies of the summer house, I

highly resent the former when it keeps me from the latter.

"It was that that drove me to the Great Cornwall Cooking Scheme, named for the farmhouse where it was born after too many masochistic summers. Frankly, it evolved with a single selfish purpose: to get me out of my kitchen and into the fun without sacrificing good food."

Travel writer for *Bride's Magazine* (she travels fifteen to twenty thousand miles a year), wife of a public relations executive, mother of three active youngsters, Marcia is as busy a woman as you're likely to meet. Yet summer weekends find her the relaxed and gracious, do-it-herself hostess to a house full of friends.

In her book are planned-ahead menus for ten summer weekends, with special meals

Marcia believes that the weekend hostess should confine herself to cooking two meals a day: Lunch and Dinner on Saturday and Brunch and Supper on Sunday. Here guests help themselves to Saturday breakfast and snacks when they want them, and she has time for an extra swim.

MYC TO HOLD OPEN RACE FOR ANYONE INTERESTED IN LEARNING TO RACE

On Saturday, July 24th, at 11:00 A.M. the Mattapoisett Yacht Club will hold an open race for all owners of Corinthians and Beetle Cats who are not currently participating in the racing program. The purpose of the race is to enable interested sailors to learn about racing in hopes that they will participate in the future. It is not necessary to be a MYC Yacht Club member to participate in this race. For this race, experienced racing skippers will be available to crew for anyone desiring this assistance. In addition, a brief meeting will be held at 10:00 A.M. on the day of the race at the Yacht Club to explain racing rules and tactics. It is hoped that all boat owners will participate so they can learn more about this exciting sport. Please register for the race by calling Tom Clark at 758-6230 or Arthur Blackburn at 758-2357.

Letter to The Editor

Your brief report in the July 14th issue on the hearing covering the question of dredging in Aucoot Cove entirely missed the most important aspect of the situation. We protestors think it important that the townspeople are aware that outside interests want to destroy a valuable public asset for their private gain. This recreational area is used by many Marion and Mattapoisett people.

Not everybody is directly concerned with this particular case but if it is approved it will serve as a precedent and similar raids in other areas will follow.

It should be noted the three persons recorded in favor were all financially involved and do not live on the cove.

Those who think that public recreational areas should be preserved for public use ought to let the authorities know of their feelings promptly. At this time we are not sure the public is going to win this fight. The Marion Selectmen have already given their approval.

Summer Fair

FAIR IN MARION THIS SATURDAY

Marion's Congregational Summer Fair got off to a rousing start last Saturday when hundreds of bargain hunters and collectors came to the auction at Barden's Boat Yard to bid on and buy the great variety of articles accumulated over the past several months.

The Fair itself will open at 10 A.M. this Saturday, July 24th, on the church grounds. Other areas in use will be the section of Main Street from School to Front Streets, which will be blocked off, the lot behind the General Store, where the sidewalk cafe holds forth under a gay canopy, the Chapel grounds and the bank parking lot, where the midway will be located.

Aprons and fancy work, clothing and stuffed animals, books and magazines, food and flowers, gifts and grabs, mystery parcel

out, mechanical and cards done by artists who specialized in this category. All the care and skill that now goes into greeting cards was once lavished on the postcard. Even real human hair was used as decoration on one of these postcards. Not only did it survive the mail but it survived the years and is still as beautiful as when created. Aluminum and copper cards were outlawed when their popularity caused cut mailmen's fingers.

Words cannot do justice to a collection such as this. I recommend that anyone with an appreciation for art and for history visit the exhibit this Sunday and prepare to be astonished. You will see a collection of Americana of great beauty and wonderful variety.

The following is a brief history of the postcard as written by Mrs. Sylvia. D.C.J.

A BRIEF HISTORY OF THE POST CARD

The birthplace of the postcard was in Austria in 1869. Dr. Emmanuel Hermann was the founder. The first picture post card was used by a bookseller named Schwartz in Oldenburg, Germany in October, 1875. Cards were first introduced into the United States without a picture in 1873. In 1900 fifteen hundred million cards were used by Germans alone. And in 1908 they were used in the classrooms in Germany.

The first recorded picture postcard in America was in 1893 at the World's Columbian Exposition and in 1898 the Trans-Mississippi Exposition. Before World War I all cards were printed in Germany or Austria. They took the pictures here in the United States and sent them across to be processed and sent back for distribution.

There is much to be learned about post cards from 1873 to 1893. The postal card debut in the United States was May 1873 under the act of Congress approved June 6, 1872. By 1943 the government printing office

Study Needs of Aging

COMMITTEE FOR COUNCIL FOR AGING

On June 8th the Board of Selectmen of Mattapoisett appointed the following as members of a Study Committee to determine the needs of the aging of Mattapoisett for the purpose of establishing a "Council For the Aging": Rev. Frank Gillespie, 22 Barstow Street; Rev. Donald Finley, 29 Hammond Street; Mrs. Helen Porter, 41 Pearl Street; Mrs. Marion Handford, 11 Hammond Street; Mrs. Emily Sylvia, 51 North Street; Mrs. Rose Westgate, Fairhaven Road; Dr. Doris Rosenfield, 8 Marion Road; Mr. Charles Adams, Ned's Point Road; Mr. Oliver La France, Mattapoisett Neck Road; and Mrs. Sophie Sterling, 83 North Street.

The Committee held its first meeting on Tuesday, July 6th, together with Mr. Joseph Greaney, committee coordinator of the Bureau of the Aging, 141 Milk Street, Boston. Rev. Frank Gillespie was named temporary chairman.

A study of the needs of the aging of Mattapoisett will be undertaken and a report of the investigation will be submitted to the town.

A Council for the Aging must be established by local by-law, therefore, it is necessary that an article be placed in the Town Warrant and adopted at a town meeting. It is the duty of the Committee to study the need for an appropriate article which may be considered at a special town meeting in the Fall.

Members of the Study Committee would welcome suggestions and insights from the community, which should be addressed to the temporary chairman.

On Tuesday, July 27, the YWCA will present the staff of the New Bedford Recreation Department's playground arts and crafts projects, the Summerart '71 and the mobile arts programs in a workshop marathon. The marathon is intended to give members of the community an acquisition of skills and a review and enrichment of arts and crafts techniques. Format for the workshops includes registration and opening remarks, workshop sessions and group and panel sharing. The program will run from 6:30 to 10:00 P.M. and is open to the public. Lawrence Frates, art coordinator for Summerart '71, will discuss the area of integrated arts, the use of visual media in education, and a reconceptualization of the role of visual arts in recreation. Workshop experiences in film, television and photography will be offered along with a display of experimental programs instituted over the past 3 years. Joan Bronspiegel will offer techniques in macrame, knitting, rope work and weaving. Mrs. Julius Shaw will offer techniques in gimp, felt and developing crafts from household items. Hints in sewing and cloth work will be given by Michelle Beenner and William Krause, art instructor for playgrounds, will discuss and conduct workshops

---

USO Junior Volunteers should meet at the YWCA at 6:45 P.M. and depart at 7 P.M. for the Newport dance on Wednesday, July 21. Transportation will be provided by the Armed Services Navy YMCA minibus. Regular members must notify the YWCA or Mrs. Dorothy Mason 3 days in advance if they plan to attend.

Prospective members and summer participants are invited to inquire about USO activities by calling the YWCA or Mrs. Dorothy Mason for an interview. A special invitation extended to college students and other young women aged 18-25.

A THANK YOU

This is to express my deepest gratitude to all my friends who sent cards, flowers and gifts during my illness. Also to those who have visited me and in many ways given me courage during my recuperation.
